

what the hell is the matter with you people? Is it possible that we can take this country back before it is too late for all of us? The FCC is often the only body responsible for the job of seeing to it these people can't have it their way. Sinclair serves WE THE PEOPLE, not whoever the candidates are. How dare they think they can do this!!! I demand you take the proper steps to see this kind of illegal jockeying is stopped in its tracks!!!

Sinclair uses the public airwaves FREE OF CHARGE, and is OBLIGATED BY LAW to serve the public interest.

Sinclair's actions show why we need to STRENGTHEN media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
